Please find more information on the following pages and do not hesitate to contact us further if you need assistance.

ADDITIONAL INFORMATION

The Indian Rally Culture

Based in the city of Coimbatore, Tamil Nadu, which is well-known for its Motorsport history and success. The Coimbatore Rally is a part of the Indian National Rally Championship and runs its round every year by end of July. Known to be a fast and challenging rally for both man/woman & machine! Some of the best Indian National Racing & Rally Champions are from Coimbatore.

Roads Used For Your Schooling

All the roads used for your schooling are typical Coimbatore rally roads located in the region. The track & surface is replicated to suit new comers to experienced drivers. These are private roads on a single private property with no public interference.

Our Location

Arka Motorsports is situated 7Kms from the Coimbatore International Airport and the rally school stages are located about 35 kilometers - an hour's drive from the office. There's a wide range of accommodation options, if you need any assistance do get in touch with us.

ADDITIONAL INFORMATION

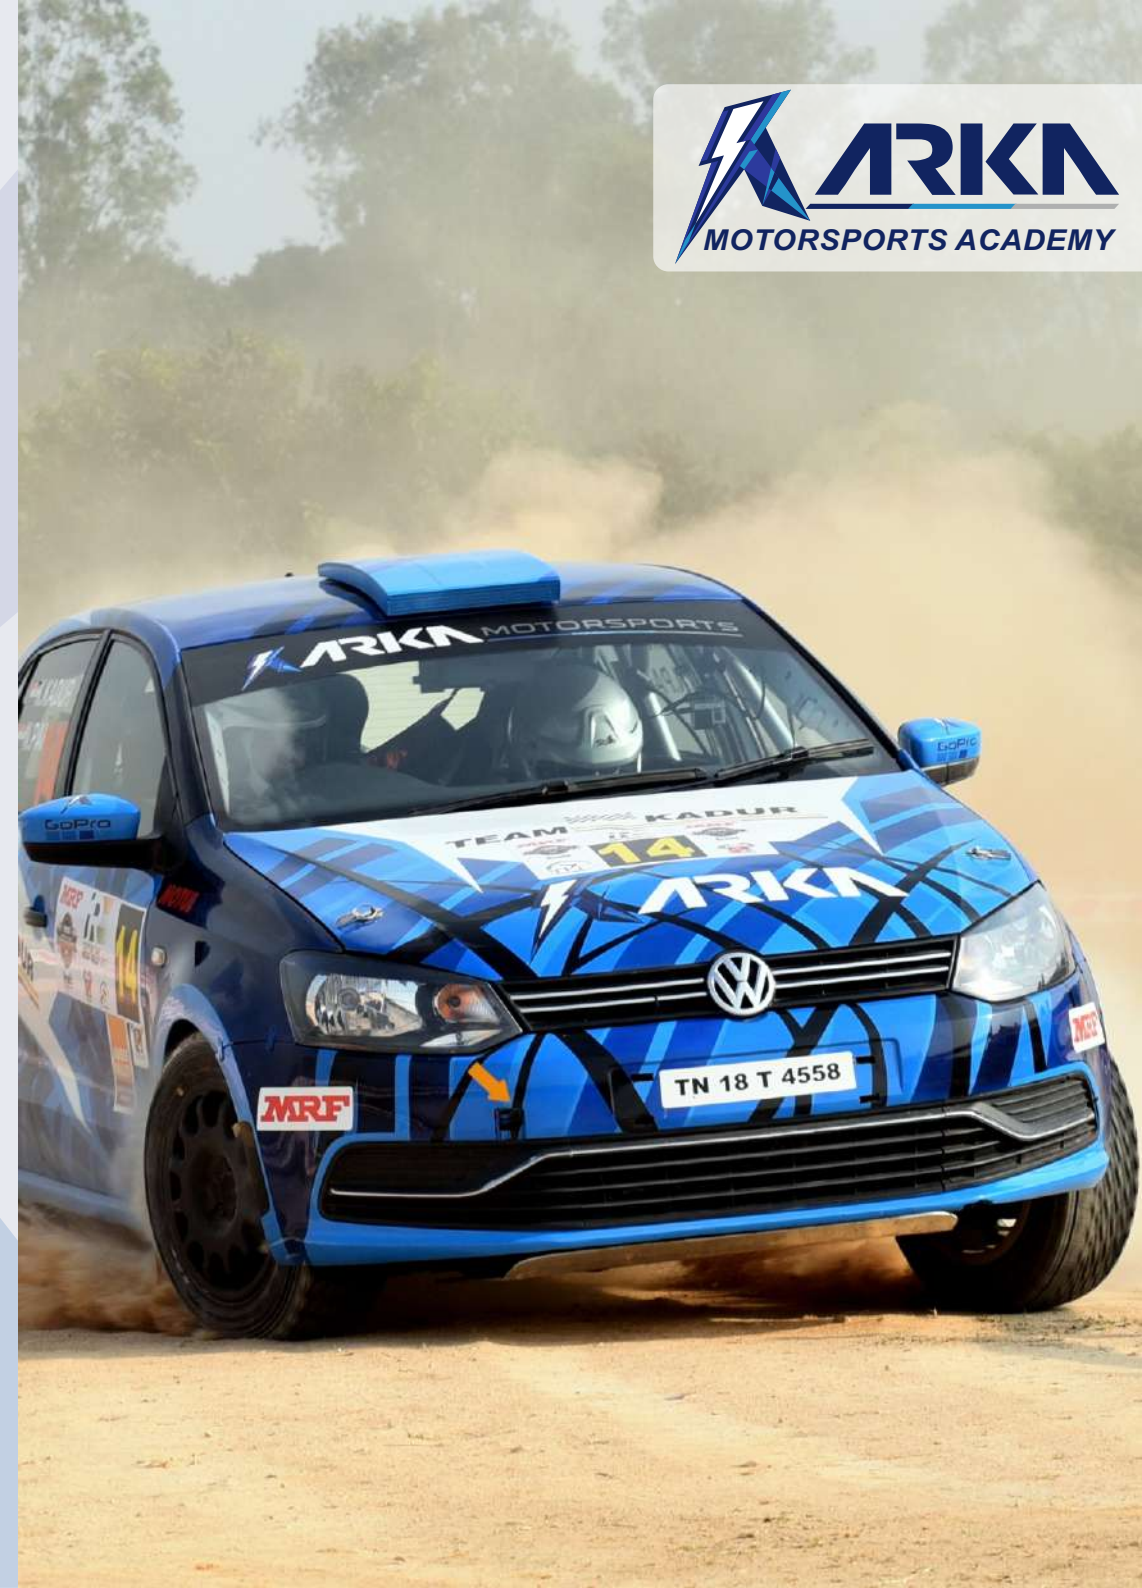

Logistics & Personnel

Once your date has been finalized, if you need an airport transfer, it could be arranged at an additional cost. Those opting to visit us at our office at the prescribed time can be driven along with our instructors to the venue and back.

Please do inform us if you are being accompanied by your co-driver / team member or any other member in advance. However, it is not recommendable to have other persons other than your co-driver to help you keep your focus on the desired objective during the schooling process.

Your Own Car

Please do inform us in advance if you would like to use your own vehicle for the course along with your crew. If you do need us to provide a technical team to oversee your vehicle during the course, that can also be accommodated, please do inform us beforehand.

HOT LAPS / THRILL RIDES

Ever dream of what it's like to ride shotgun in a fully prepared rally car with a professional driver?

Our Thrill Ride is designed to show just how quick a rally car can go on gravel, mud, and anything else a road might throw at you.

Secured in place with a racing harness, helmet and roll cage, your only task is to sit back and enjoy the ride over our challenging, action packed roads that include hairpin, pendulum, and handbrake turns, and plenty of high speed sideways action.

DRIVER DEVELOPMENT

Arka Motorsports Academy offers a completely integrated progression for driver development program, designed with flexibility for each participant according to their capabilities and driving history.

We have the ability to develop a driver with no experience, and progress through stages of development to compete in top levels of motorsport. Through detailed planning and calculated steps, we will design a schedule, which follows a structured path but also allows for variation when needed. Because each program is unique to each person, it can be molded and adapted depending on results and performance.

Our Driver Development Program offers both front and all-wheel drive cars as an integral part of training in preparation for driving a fully prepared stage rally car.

As an example of how a program may be personalized for each student, a driver with extensive rally experience may begin with private coaching courses, whereas the progression for a student with limited rally driving experience may include the following:

- Three Day Ultimate Rally Experience
- Two Day Advanced
- Private Coaching in a school car first then the rally car
- Private Coaching with Arka Motorsports Technicians discussing car preparation and setup

DRIVER DEVELOPMENT

(Continued...)

- For a student with little rally driving experience, the schedule in the previous page is strongly recommended for success in the top level cars, regardless of other motorsports experience. Because each student in the Development Program will require a personally designed curriculum.

We have the following special packages for Driver Development Program. Please call or write to us for more details.

- Volkswagen Package
- Toyota Package
